INSIDE LINE

It might not be a **radical** makeover, but Glenn Lyon is working to invigorate the chain with a **growth** agenda that capitalizes on the retailer's strengths in the market. The plan includes strategic elements to weather a **challenging** economy and position the chain for the **future**. See the full story on page 10.

From top: LACROSSE's grained-leather Western boot; ARIAT's stitched multicolor style; JUSTIN's distressed leather pull-on.
